Another chance to support a great cause

By Chris | Published July 16, 2010 | Posted in News

Hey guys,

If your going to be in the Mississauga area this Saturday be sure to stop by the Sian Bradwell Softball Tournament being held at the Dunton Athletic Fields.

The event is being put on to raise money to purchase [medical equipment](#) for the Oncology/Haematology

Department of Sick Kids Hospital for treating young victims of cancer.

After last weeks highly successful Pledges for Sketches, Spent Pencils Arnold Trinidad and his crew are once again going to be on hand along with McHozer comics Jason Roussel doing sketches to help raise money.

If you were unable to make it out last week this is a great [opportunity](#) to get some artwork by some amazing artists and help a worthwhile cause at the same time.

The Sian Bradwell Softball Tournament will be at Dunton Athletic Fields 6180 Kennedy Road, Mississauga, Ontario. The artists will be on hand from 11:30am onwards.

A couple of updates

By [Osh](#) | Published July 14, 2010 | Posted in [Blog](#), [News](#)

Hey everyone! Daniel here.

I want to give everyone an update on what's going on here at McHozers.com, and personally thank everyone who has visited our humble site and read our comics. I have some good news and some bad news. The bad news is I'm gonna have to leave you guys hanging on what Mannix is smirking about in Celtic Shaman #1. I'm going to be on hiatus for a couple of weeks after today's post.

The good news is that I'm working on improving the visitor friendliness of the site — primarily to give you a means to communicate with us. As you can see right now, there's no means for you to comment on this nor on the comic pages, and that makes us sad. So, I'm working on rectifying that. Sadly, I'm terrible at multitasking and since I'm the web developer and the artist on Celtic Shaman, I'm unable to switch gears between the two roles enough to keep up with the weekly comic updates. But CS will be back in a couple of weeks!

Thanks everyone!

Sketches for Pledges

By [Chris](#) | Published July 3, 2010 | Posted in [Events](#), [News](#)

Hey guys, this is for all our friends who will be in Toronto on Tuesday July 6th. Make sure you drop by 320 Front St W. (directly across the Rogers Centre) from 9am to 4pm to support Sketches for Pledges. McHozer's own Daniel Wong will be on hand along with some other amazing local artists selling sketches for 5 dollars each. All money raised will go to the Sick kids Hospital.

On a personal note Sick Kids is an amazing place. It has touched my life by helping out youngest son and my youngest brother... So I can't tell you how worthily a cause this is.

The event is being put on by our good friend from Spent Pencils Arnold Trinidad and will feature the talents of: Agnes Garbowska (Girl Comics#1 -Marvel Comics), Francis Manapul (The Flash -DC Comics), Daniel Wong (McHozer Studios), Briana Chan, Vince Sunico, Paul Limgenco, Gerard De La Costa, Khanh Nguyen and Arnold Trinidad

(Spent Pencil Studios), Marvin Law (Conquer Entertainment) and "Gogz" and "Marv" (Powie Studios.)

Hope you can make it out!

Web Comic Wednesday

By [Chris](#) | Published May 26, 2010 | Posted in [News](#), [Wednesday Webcomics](#)

Well it's Wednesday again and that means it's time for Wednesday web comics. I don't know what it's like where you are but man o man it's a freakin scorcher here. I mean it. Ok, pimp time. First thing I like to do every Wednesday is let you know that you can check out the latest page from Celtic Shaman over at [Celticshaman.ca](#) so yeah, check it out. Next up I want to direct your attention to the mega awesome "[Forces of Geek](#)" where I join the round table to discuss the season finale of Lost (I really liked it by the way) that was a lot of fun and I hope that if you were a fan of the show you take a look. But enough of me, let's get tot he

comics!

<http://www.virtualshackles.com/> – The first time I clicked on this I was laughing, so that's always a plus. They describe the series as an exploration of video games and the world of video game development... I just think its fun.

<http://www.louderbombs.com/> – A funny little comic done by a couple of brothers who see the world slightly twisted... that must be what I like about it.

That's it for now... wherever you are stay cool... Namaste brothas.

Friday Links

By [Chris](#) | Published May 21, 2010 | Posted in [Friday Links](#), [News](#)

Wow, what a busy week it been around here. You know the kind of week where you're so exhausted that you wake up tired? Yeah, that kind of week. Thankfully the long weekend is here. Got ourselves a new propane tank for the grill and a case of ice cold beer. That's all I need to have a happy May 2-4.

I was so busy this week I didn't even get a chance to pimp the newest page of Celtic Shaman... let me correct that by directing your attention to www.celticshaman.ca for the latest. Also today being Friday that means that Deadmen and Poodleskirts is also updated. [Click here](#) to check it out.

Anyways, here are your Friday links:

Fresh Prince of Bel-Air by Ian McKellen – I can't stop laughing at this video... it seriously makes me cry. (Youtube)

11 More Incredibly Disturbing Moments in Kids' Movies – If you want to see what turned me into the demented person I am today just follow this link. Geez, these things screwed me up. (Topless Robot)

5 Superpowers We All Had as Babies – I don't know what they're talking about... I still have all these superpowers. (Cracked.com)

"I'll Never Be Lost Again" – So the Lost series finale is this weekend. My wife and I only started watching this show about 6 months ago... She's obsessed. So yeah, I know what I'll be doing Sunday night for 2.5 hours. (Youtube)

Too Many Megaman Bosses – Yeah... it had to come to this eventually. (College Humor)

That's it. Have a great long weekend everyone!

Friday Links

By [Chris](#) | Published May 14, 2010 | Posted in [Friday Links](#), [News](#)

Happy Friday everyone, I hope you had a great week. It was a little cold and wet around here (I think it even snowed early in the week) so it was kinda blah for me.

Anyone else catch the season finale of Supernatural last night? I thought it was outstanding. It's almost a shame that the show was picked up for another season because that would have been a great way to end the story of Sam and Dean Winchester. It almost reminds me of what happened with Buffy, the season where she (spoiler alert) died at the end... That should have been the end of the series IMO... After she came back there were some good moments, but overall the series kinda felt forced from that point.

Tonight is the season finale of Smallville, they are hinting that we'll see the Superman colors show up, but we've been teased before.. so I don't know what to believe. All I know is they say one regular character will die and I'm hoping it's Tess, but I'm afraid it'll be Zod. Tess's character is ok, but I think they've done all they can with the "evil head of an evil corporation" plus Zod has been awesome this year, I'd love to see more of him.

Couple of things to pimp before the links, first as always there is a new page of Deadmen and Poodleskirts up, [click here](#) to check it out. Secondly a while back we were asked if we could donate a Wolverine themed piece of original art to the Shuster Awards so they could sell it on e-mail as part of a fundraising initiative. Well Daniel's work is up, it's awesome, and you can [bid on it right here](#). The auction runs until May 18th, so make sure you get your bids in soon. Now on to the links.

How Iron Man should have ended – I love HISHE and I love Iron Man... Make sure you check out some of their past ones including how Superman should have ended. It's classic. (Youtube)

The 20 Hottest Redheads in Comics – Someday Dru from Celtic Shaman will make this list.... someday... (Topless Robot)

Boy with cancer turns into a superhero for a day – If this story doesn't make you smile and cry at the same time then you are not human... you're some kind of... non smiling, non crying robot. There, I said it. (The Seattle Times)

5 Pop Culture Classics Created Out of Laziness – We should all be so lazy... am I right? (Cracked.com)

Gritty Superhero Reboot – Hmmm... maybe the reboot is the right thing to do after all. (College Humor)

Have a great weekend guys. Remember if you have a cool link please [send it my way](#).
