### 3rd Annual Sian Bradwell Softball Tournament

Sian Bradwell was first diagnosed with childhood cancer back in 1985 and unfortunately passed away at 17 months of age. After Sian's passing, The Sian Bradwell Fund was established in 1990 with an objective of purchasing equipment to help better diagnose and treat children with cancer. On June 16th, to benefit SickKids Hospital, the Sian Bradwell Fund hosted their 3rd Annual Softball Tournament at the Powerade Centre in Brampton. Guests attended the Event that day ready and determined to play for such a great cause. Everybody had a great time regardless of age - and all participants felt like a MLB Superstar by the end of the day. Proceeds from the event assist with the purchasing of Oncology equipment at SickKids Hospital.
