BMFA Helps Strike Out Cancer

By [Burlington](#)

BMFA Families,

On Sunday April 12th, the Burlington Minor Football Association took part in the annual Sian Bradwell Fund Strikeout Cancer Challenge at the Burlington Bowl.

The Sian Bradwell Fund works diligently to raise money for children with cancer at the McMaster Children's Hospital. The bowling challenge pits the CFL's Hamilton Tiger Cats against the Toronto Agronauts. All proceeds go to support the hospital.

The BMFA is proud to support the Sian Bradwell Foundation in its efforts. Our players and families enjoy the opportunity to have fun for a wonderful cause and meet the many CFL players in attendance.

On behalf of the BMFA I would like to thank all those that supported this event and represented the very best of our organization during the day.

David Gagner
Vice President
BMFA
