Dear Friends,

You are amazing.

It is my pleasure to be able to thank you and The Ken Bradwell Foundation and all of today's tournament sponsors, players and volunteers for putting on this incredible event in support of local healthcare.

Joseph Brant Hospital is there in the moments that matter most and your participation today shows your commitment to the well-being of our community.

Last year our hospital saw over 50,000 Emergency Department visits, treated almost 14,000 inpatients, and more than 92,000 outpatients. Support from our community is critical to provide our healthcare teams with the cutting-edge equipment and technology they need to ensure that every patient receives exceptional care, close to home.

Your support makes a tremendous difference in the lives of the patients and their families. Please know how truly grateful we are for the ongoing generosity The Ken Bradwell Soccer Tournament has shown Joseph Brant Hospital.

On behalf of our hospital's medical professionals, and the patients they serve and their families, please accept our deepest gratitude and thanks.

Have fun today!

Sincerely,

Anissa Hilborn
President & CEO

Ken emigrated to Canada from his home town of Denton, Manchester, in 1975, and worked in the Investments department for the Bank of Nova Scotia in Toronto. While playing for the bank's soccer team against the Royal Bank of Canada in 1976, Ken met Sharon, who was the secretary of the RBC soccer team in Montreal. They were married in 1979, and their daughter Sian was born in 1984.

After Sian's death at the age of 17 months in 1986 as a result of cancer (primitive neuroectodermal tumour), Ken and Sharon founded the [Sian Bradwell Fund](#)

[For Children With Cancer](#) as a way of keeping Sian's name alive and helping other children. The Fund supports the Montreal

Children's Hospital, SickKids Hospital in Toronto and McMaster Children's, and also the Juravinski Cancer Centre in Hamilton. Over \$1,800,000 has been donated in Sian's name.

While living in Montreal, Ken played for the Midland Ross, Rolls Royce, Pointe Claire Reds, Pointe Claire Wanderers, Greendale, and Kirkland United soccer teams until 1997, when work-related transfers brought Ken and Sharon to Ontario.

Ken joined the Burlington Soccer League and played for the Panthers and Wanderers Football Club until 2006, when a heart attack ended his playing career. Already a convenor, he became the full-time manager of the Wanderers F.C. team and remained so until the end of the 2015 season. By the time the 2016 season opened, he was too ill with cardiac-related issues to do anything more than watch one or two games.

He died on July 14th, 2016.

The Ken Bradwell Soccer Tournament – supported jointly by the Burlington Soccer League and Burlington OldTimers Soccer Club -- will assist cardiac patients at the two main hospitals where Ken was treated: Joseph Brant Hospital (JBH) in Burlington and Oakville Trafalgar Memorial Hospital (OTMH) in Oakville.

All donations go to the funding of priority medical equipment.

CITATION

Ken and Sharon Bradwell established the Sîan Bradwell Foundation after losing their 17-month-old daughter to a rare form of cancer. Through several annual sports tournaments, the foundation has raised more than \$1.8 million towards an endowment fund at three hospitals and the purchase of medical equipment essential for diagnosing, treating and studying pediatric cancer.

Ken et Sharon Bradwell ont créé la Sîan Bradwell Foundation à la suite du décès de leur fille de 17 mois atteinte d'un cancer rare. Par le biais de différents événements sportifs annuels, la fondation a collecté plus de 1,8 million de dollars destinés à un fonds de dotation dans trois hôpitaux et à l'achat d'équipements médicaux nécessaires à la détection, au traitement et à l'étude du cancer pédiatrique.

Better Care, Better Days

Dear Friends,

Thank you for supporting and attending the annual Ken Bradwell Soccer Tournament in support of life-saving equipment needs at the Oakville Trafalgar Memorial Hospital.

At Oakville Trafalgar Memorial Hospital, we are committed to ensuring as many patients as possible are able to receive medical care when they need it most, right here in Oakville. Your donations will directly impact our top priority needs, enabling our clinical staff to stay resilient and provide them with any resources they need to deliver safe, world-class care to our patients and the community.

The government does not fund the medical equipment needed to keep healthcare close to home. With more than 240,000 patients walking through our doors each year, the demand for quality care close to home will only grow along with our vibrant community.

Endowment funds ensure that life-changing programs at OTMH have a continuous and secure source of funding. This past year the Ken Bradwell Foundation endowment fund was established at OTMH to support priority needs for the Cardiology and Oncology departments.

This year, OTMH's Cardiology Department needs the Vyntus CPX which is used for Cardio Pulmonary Exercise Testing. The piece of equipment makes it possible to determine the maximum exercise and endurance capacity for patients of all stages. The CPX machine is the newest of its generation with advanced technology and is the result of twelve generations of proven technical innovations. This machine would help staff diagnose and assist much faster as it offers more measurement and evaluation procedures than ever seen before.

Sincerely,

Nicole Briguglio
Officer, Events

Please continue supporting OTMH through the Ken Bradwell Soccer Tournament and Foundation.

KEN BRADWELL SOCCER TOURNAMENT

Ken Bradwell Soccer Tournament (KBST) Discipline Policy

We ask all participants to be respectful of officials, other players and volunteers, and to keep in mind that this tournament is being held for the benefit of our community. All of us are here just to have fun.

The rules and regulations below will constitute disciplinary action and penalties for players and teams participating in this tournament. All discipline matters will be dealt with by the KBST Organising Committee and a pool of volunteer tournament officials.

When players/teams register, waivers are signed that say registrants (players/team) will abide by certain tournament rules. Match officials will submit reports regarding players, teams, or team supporter actions immediately after each game where necessary.

Officials will endeavour to follow the most recent game rules as published by FIFA and as per the OSA except as outlined below. Since there is no review or hearing process, the KBST Organising Committee will enforce the judgement of the officials and implement the following penalties for player, team, or team supporter misconduct:

1. Dismissed (red card) for using offensive language or gestures towards the referee (1 game suspension).
2. Dismissed (red card) straight or for second caution (2 yellow cards) for dangerous or aggressive play or other foul(s) that violate the rules of the game (1 game suspension).
3. Reporting for using offensive language or gestures towards the referee after already having been dismissed (2 game suspension).
4. Dismissed (red card) or reported for violent conduct i.e. punching, kicking, tripping, or pushing an opponent. (1-3 game suspension at discretion of officials and organising committee).
5. Dismissed (red card) or reported for using abusive, offensive, or obscene language during, before, or after the game in general or towards any registrant, spectator, or game official. (1-3 game suspension at discretion of officials and organising committee).
6. Dismissed (red card) or reported for using racist or sexist comments during, before, or after the game towards any registrant, spectator, or game official. (Immediate suspension from current tournament and one (1) subsequent tournament).
7. Dismissed (red card) or reported for assaulting or threatening the referee. This could be the smallest physical contact, or a remark that you "didn't really mean" (Immediate suspension from current tournament and two (2) subsequent tournaments).
8. Playing an unregistered or ineligible player is a penalty which is charged against the entire team. If there is a violation, points will be deducted and the team could be disqualified, at the discretion of the organising committee.
9. Any spectator that is deemed to be disruptive to a game or offensive and/or abusive in behavior may be ejected from the premises by the match officials. A match official and/or the organising committee at their discretion may choose to deduct up to 2 points from the offending team or the team with whom the spectator(s) are affiliated.

Should the individual(s) not comply with requests to halt their actions or to depart, play may be halted until the team gets their spectator/supporter(s) to leave. A match official and/or the organising committee at their discretion may choose to either declare the game for the opposing team, suspend the team from playing for the rest of the current tournament, or if the team continues to participate after the offender(s) are withdrawn or ejected successfully from the playing area, automatically record a 4-0 loss for purposes of placement in the tournament.

10. Suspensions with a penalty of greater than one (1) game are mandatory and immediate as it relates to the current and subsequent tournaments. Thus, suspensions with a penalty greater than one (1) game will carry over should they not be served within the tournament received. Single game suspensions carry over to subsequent games within the same tournament where possible however, first cautions/yellow cards and un-served single game suspensions do not carry over into subsequent tournaments. First cautions/yellow cards do not carry over into subsequent games.
