Dear Friends,

You are amazing.

We are incredibly grateful to the Ken Bradwell Foundation and all of the sponsors, players and volunteers whose dedication over the last seven years has made this annual tournament a huge success. Thank you for bringing the community together in support of local healthcare in Ken's memory.

With your continued support, you are helping to power the best care at Joseph Brant Hospital - a full-service community teaching hospital that is always ready, and always here for our community. Last year our hospital saw over 56,000 Emergency Department visits, treated over 14,000 inpatients, and more than 109,000 outpatients.

Support from our community helps provide our healthcare teams with cutting-edge equipment and technology, like CT scanners, that are used every day to deliver life-saving diagnoses and treatments to our patients but that are not covered by government funding.

It is my privilege to thank all of today's participants for their generous support on behalf of our patients, their families and the medical professionals and staff.

Enjoy the 7th Annual Ken Bradwell Soccer Tournament and have fun!

Sincerely,

THE NEXT10

Dear Friends,

Thank you for supporting and attending the annual Ken Bradwell Soccer Tournament in support of life-saving equipment needs at the Oakville Trafalgar Memorial Hospital (OTMH).

At the heart of every thriving community lies its hospital. Ken Bradwell deeply believed in this and his generous support of Oakville Trafalgar Memorial Hospital has greatly benefitted our community.

This year OTMH is turning 10. Medical technology has advanced rapidly since we opened, and with hospital equipment lasting only 7–10 years, we must invest now to stay at the forefront of care. Ten years ago, our community came together to build a hospital we could count on, a place where lives are saved every day.

But health care doesn't stand still. As medicine evolves and our community grows and ages, so do the demands on our hospital. We're seeing more patients than ever, and we need smarter, faster, and more advanced tools to care for them.

Endowment funds ensure that life-changing programs at OTMH have a continuous and secure source of funding. The Ken Bradwell Foundation endowment fund was established at OTMH to support priority needs for the **Cardiology and Oncology departments**.

We're here today because we all know cancer. We understand, the cancer journey will be less grueling when we're cared for close to home. With the Halton region anticipating a 60% growth in population over the next 25 years, it is critical, everyone have access to specialized cancer care services in their community. Through the Ken Bradwell Soccer Tournament, it allows us to ensure each person has the services they need, from screening to Bradwell Golf Tournament, to ensure e

Dear Friends,

We are pleased to acknowledge that the **Seventh Annual Ken Bradwell Soccer Tournament** is taking place on August 30th at the *Brant Hills Community Centre in Burlington, ON*.

Through fundraising efforts like the Ken Bradwell Soccer Tournament, it allows for Juravinski Cancer Centre to provide world-class cancer care and specialized treatments. It could mean a patient can access leading-edge radiation therapy, a family can receive support during a difficult diagnosis, or a research team can advance new cancer treatments. By supporting and attending this event, you are giving hope to those fighting serious illness.

Hamilton Health Sciences Foundation works with health care and research professionals, patients, their families, and the community to ensure the highest level of exceptional care. Juravinski Hospital and Cancer Centre is one of Ontario's most comprehensive cancer centres, and one of only three centres in Ontario providing all forms of stem cell transplants supporting patients with blood cancers. It is one of Ontario's busiest comprehensive cancer centres, and is the only site in the region treating all cancers. It is also home to the only stem cell transplant, acute leukemia and blood cancer programs in the region.

On behalf of the volunteers, staff, patients and their families, we want to thank the Ken Bradwell Soccer Tournament volunteers and participants for being an integral part of our mission and for their extensive contributions.

Thank you for your ongoing efforts to support our mission. If you have any questions or would like to receive more information, please reach out to me directly by email: lopesc@hhsc.ca or phone, (905) 870-4531.

Ken Bradwell Soccer Tournament (KBST) Discipline Policy

We ask all participants to be respectful of officials, other players and volunteers, and to keep in mind that this tournament is being held for the benefit of our community. All of us are here just to have fun.

The rules and regulations below will constitute disciplinary action and penalties for players and teams participating in this tournament. All discipline matters will be dealt with by the KBST Organising Committee and a pool of volunteer tournament officials.

When players/teams register, waivers are signed that say registrants (players/team) will abide by certain tournament rules. Match officials will submit reports regarding players, teams, or team supporter actions immediately after each game where necessary.

Officials will endeavour to follow the most recent game rules as published by FIFA and as per the OSA except as outlined below. Since there is no review or hearing process, the KBST Organising Committee will enforce the judgement of the officials and implement the following penalties for player, team, or team supporter misconduct:

1. Dismissed (red card) for using offensive language or gestures towards the referee (1 game suspension).
2. Dismissed (red card) straight or for second caution (2 yellow cards) for dangerous or aggressive play or other foul(s) that violate the rules of the game (1 game suspension).
3. Reporting for using offensive language or gestures towards the referee after already having been dismissed (2 game suspension).
4. Dismissed (red card) or reported for violent conduct i.e. punching, kicking, tripping, or pushing an opponent. (1-3 game suspension at discretion of officials and organising committee).
5. Dismissed (red card) or reported for using abusive, offensive, or obscene language during, before, or after the game in general or towards any registrant, spectator, or game official. (1-3 game suspension at discretion of officials and organising committee).
6. Dismissed (red card) or reported for using racist or sexist comments during, before, or after the game towards any registrant, spectator, or game official. (Immediate suspension from current tournament and one (1) subsequent tournament).
7. Dismissed (red card) or reported for assaulting or threatening the referee. This could be the smallest physical contact, or a remark that you "didn't really mean" (Immediate suspension from current tournament and two (2) subsequent tournaments).
8. Playing an unregistered or ineligible player is a penalty which is charged against the entire team. If there is a violation, points will be deducted and the team could be disqualified, at the discretion of the organising committee.
9. Any spectator that is deemed to be disruptive to a game or offensive and/or abusive in behavior may be ejected from the premises by the match officials. A match official and/or the organising committee at their discretion may choose to deduct up to 2 points from the offending team or the team with whom the spectator(s) are affiliated.

Should the individual(s) not comply with requests to halt their actions or to depart, play may be halted until the team gets their spectator/supporter(s) to leave. A match official and/or the organising committee at their discretion may choose to either declare the game for the opposing team, suspend the team from playing for the rest of the current tournament, or if the team continues to participate after the offender(s) are withdrawn or ejected successfully from the playing area, automatically record a 4-0 loss for purposes of placement in the tournament.

Suspensions with a penalty of greater than one (1) game are mandatory and immediate as it relates to the current and subsequent tournaments. Thus, suspensions with a penalty greater than one (1) game will carry over should they not be served within the tournament received. Single game suspensions carry over to subsequent games within the same tournament where possible however, first cautions/yellow cards and un-served single game suspensions do not carry over into subsequent tournaments. First cautions/yellow cards do not carry over into subsequent games.
