

WELCOME TO DINE FOR HOPE

Tonight's event is proudly hosted by Ole Tapas in collaboration with the Sian Bradwell Foundation.

This evening, our service may be a little busier than usual as we have welcomed an extraordinary number of guests in order to raise as much as possible for the Montreal Children's Oncology Unit. At times, we may need to move quickly between tables to prepare for the next seating, but please know that every extra plate served tonight means more help for children and families in need.

Your choice to spend your evening here makes a real difference. Together, we are raising vital funds to purchase essential medical equipment that will support children courageously fighting cancer. Thank you for your generosity, your patience, and your presence.

WITH GRATITUDE,
The Dine for Hope Team

***SIAN BRADWELL* FOUNDATION**

The Sian Bradwell Foundation was founded by Sian's parents after their daughter Sian lost her courageous battle with cancer at just 17 months old.

Determined to honor her memory, they created the Foundation to help other children and families facing the unimaginable challenges of childhood cancer. Since then, the Foundation has been dedicated to improving the quality of life for young patients by providing hospitals, including the Montreal Children's Hospital, with essential medical equipment and resources. Through community support and events like tonight's, the Sian Bradwell Foundation continues to bring hope and tangible help to children fighting for their lives.
