THANK YOU FOR YOUR GRACIOUS SUPPORT!

September 2026

Dear Friends,

Thank you to the Ken Bradwell Foundation, sponsors, players, and volunteers whose dedication over the past seven years has made this tournament such a success. Each year, it honours Ken's legacy and brings people together through a shared love of soccer—all while supporting local healthcare at Joseph Brant Hospital (JBH).

For the past 65 years, JBH has been providing care for our community when it's needed most. Last year alone, our hospital saw more than 56,000 Emergency Department visits, cared for nearly 14,000 inpatients, and supported over 115,000 outpatients.

Your support here today helps fund critical needs not covered by the provincial government—things like essential equipment and cutting-edge technology used every day in patient care. These are vital tools that our healthcare teams depend on to diagnose and treat illnesses and diseases, and ultimately save lives.

On behalf of our patients, their families, and the dedicated medical professionals and staff, it is a privilege to thank all of today's participants for helping to power the best care, close to home.

Have fun, and enjoy the 8th Annual Ken Bradwell Soccer Tournament!

Sincerely,

Ashley Davidson

JOSEPH BRANT HOSPITAL FOUNDATION

Dear Friends,

Thank you for joining us at the annual Ken Bradwell Soccer Tournament in support of Oakville Trafalgar Memorial Hospital (OTMH).

This event helps strengthen local healthcare and reflects a shared commitment to ensuring patients and families have access to exceptional care close to home.

As OTMH enters its second decade, the demand for services continues to grow. Cancer care in particular remains a critical and expanding need, as more patients in our community require timely access to specialized oncology services during some of the most challenging moments in their lives.

The **Ken Bradwell Foundation Endowment Fund** provides ongoing support for priority needs within Cardiology and Oncology at OTMH. This sustained funding helps ensure that essential programs continue to evolve alongside advancements in treatment and technology.

Looking ahead, OTMH is also moving forward with a major expansion of its 8th floor, adding 111 new inpatient beds and increasing capacity to better serve a growing population. Combined with continued investment in modern equipment and innovation, this expansion will help ensure the hospital is prepared for the next decade of care.

Thank you for being part of this important initiative and for helping advance care and hospital capacity in our community.

Sincerely,

NBriguglio

September 1st, 2026

Dear Friends,

We are pleased to acknowledge that the **Eighth Annual Ken Bradwell Soccer Tournament** is taking place on September 5th at the *Brant Hills Community Centre in Burlington, ON*.

Hamilton Health Sciences Foundation works with health care and research professionals, patients, their families, and the community to provide the highest level of exceptional, compassionate care. Investing its communities' contributions in life saving equipment, innovative research initiatives, patient amenities and support programs.

Juravinski Hospital and Cancer Centre stands as a premier regional hub for cancer treatment and research, offering comprehensive cancer care and specialized services to a vast patient population. Affiliated with McMaster University, it offers comprehensive inpatient and outpatient treatments, including chemotherapy and radiation, alongside emergency services, orthopedics and pioneering stem cell therapies. It is the sole facility in south-central Ontario equipped to treat all types of cancer, serving a regional population of over 2.3 million people.

On behalf of the incredible staff, volunteers, patients and their families, we thank the Ken Bradwell Soccer Tournament volunteers and participants for supporting health care excellence in the region. We are so appreciative of the funds being raised to support highest priority needs at Juravinski Hospital and Cancer Centre.

If you have any questions or require additional information, please contact me directly at lopesc@hhsc.ca or 905.870.4531.

With heartfelt appreciation,

Ken was born in Manchester on June 3rd, 1952. He started work at 16, while studying for a diploma in supervisory studies at the Tameside Institute of Technology. He later became a cost accountant at the Sir Richard Arkwright textile company in Stockport, Cheshire.

Ken was a cross-country runner, a strong swimmer, and played football from a very early age — an activity in which he was involved all his life as a player and coach. Ken emigrated to Canada in 1975, and worked for the Bank of Nova Scotia in Toronto. While playing for the bank's soccer team against the Royal Bank of Canada in 1976, he met Sharon, a football fan who worked for RBC and was the secretary of the RBC soccer team in Montreal. They were married in 1979 and their daughter Sîan was born in 1984. Following Sîan's death from cancer in 1986, they founded the Sîan Bradwell Fund For Children With Cancer, and through the efforts of family, friends and volunteers, over $1,400,000 has been raised for the Montreal Children's Hospital.

Work transfers brought the Bradwells to Ontario in 1997; they settled in Burlington, where Ken became a player and later manager of the Wanderers team of the Burlington Soccer League (BSL). He was diagnosed with Non-Hodgkins Lymphoma in 2004 and followed at the Juravinski Cancer Centre (JCC). In 2006, Ken suffered a heart attack and his health declined steadily from that time. He was treated at both Joseph Brant Hospital (JBH) and Oakville Trafalgar Memorial Hospital (OTMH) until his death in 2016. Foundations now have been established at all three medical facilities. At the JCC, funds are used to pay for medical equipment for cancer patients, at OTMH for cardiology equipment and at JCC for the most urgent medical equipment needs.

Ken's philanthropic legacy lives on, thanks to the gracious support of participants, sponsors, donors and volunteers of the Ken Bradwell Soccer Tournament.
